

STUDENT GROUP DISCUSSION QUESTIONS

SOCIAL TIME/WORSHIP

Have a game ready and/or go around the circle asking your group members to share any news since your last meeting. Be intentional in helping your group members get to know one another during this time and make it fun.

CHECK-IN TIME

Talk about what you did last week to complete your action step.

GROUP DISCUSSION QUESTIONS

Bottom line: Remembering reminds us of what Jesus has done, is doing, and will continue to do. The goal of group this week is to encourage students to build the muscle of remembering and to encourage them to practice that skill in order to remember what Jesus has done and is doing in their lives. Remembrance is a muscle in our faith. And just like any muscle in the body, we must consistently work to build it and keep it strong. This week's goal is simply to help your students start doing their reps when it comes to remembering! A great way to do this is to encourage them to start asking, "Where did I see God today?" This simple question will turn their eyes to look for God at work in their lives daily and help them begin to remember God when they experience it. The more they remember today, the more they'll have to lean on in the future when their faith may be tested and challenged along the way.

1. What stood out to you about the message?
2. What makes remembering significant things Jesus has done in our lives a challenge at times?
3. Read Luke 22:19-20. Why do you think Jesus used some of His final moments to encourage His disciples to practice remembering?
4. What might change about your faith now if you remembered what Jesus has done for you in the past?
5. What's something you've seen Jesus do in your life that you want to remember?
6. What's one thing you can put into practice this week to make remembrance an active part of your faith?

ACTION STEP

Choose one of the following or create your own. Consider finding an accountability partner within your group to walk alongside you this week.

- Connect with someone
- Daily time with God: Determine the type of routine you'd like to have that allows you to spend time learning about what pleases God. Here are some ways to do this:
 - o Download the Emmanuel app and read the One Year New Testament daily.
 - o Download the YouVersion app and search "Before I Go Orange" to find the plan that goes along with our series. You can even decide to do one as a group to encourage one another as you do the daily readings.
 - o If you recently placed your faith in Christ and texted SAVED to 65248, read the devotional provided in your starter kit.

PRAYER

Ask your group to share two things

1. Prayer requests for themselves and the people in their lives.
2. Ask also for any reason to praise, it is great to come to God in thanksgiving for all He has done.

Keep note of the burdens in people's life and notice when God moves in those areas specifically. We believe God will see prayers become praise and it is an opportunity to increase our faith when we are in the position to bring that to light.
